Notice

Subject: - Proposal to organize Blood Donation Awareness Campaign & Camp

Observing a blood donation camp is necessary because it directly addresses the constant, critical need for blood in medical care, which can't be manufactured artificially.

A single donation can save up to three lives, making these camps essential for supporting surgeries, cancer treatments and emergency traumas.

In this regard, an online meeting was held on 21.04.2026 convened by the Special Secretary, Swasthya Bhavan, Government of West Bengal where the Hon'ble Vice-Chancellor, Baba Saheb Ambedkar Education University was also present on it.

After discussion, it was emphasized to collect more blood to meet the extreme need in the society.

Hence, all the concerned authorities of the affiliated colleges under this University are hereby requested to observe Blood Donation Camp to be held on the College Campus on any day between 15th May to 15th July, 2026, which will be helpful to meet to some extent the extreme shortage of blood in the local hospitals for treatment of the needy persons.

Prior to fixing the date, you have to communicate the Local Hospital / Medical College who are frequently doing such job with their team to collect the blood safely and scientifically in a blood donation camp.

After that, you have to fix a date of Blood Donation Camp in your institute and confirm the University about the date because the University officials may visit the Blood Donation Camp organized by you in your institution.

Kindly note that it is very much necessary for every college affiliated under this university for the greater social cause.

Confirmation of date for the Blood Donation Camp of the college should be intimated to the University by the mail helpdeskwbuttepa@gmail.com
