## **NOTICE**

**Date: 28.10.2023**

It has been brought to the notice of the University that some ill-motivated persons engaged in jeopardising the interest of the students, colleges in general and the University in particular, are using the social media as a means to maligne it. A news of getting affiliation against monetary consideration is being spread by these dishonest persons to create an environment to stall the normal academic operations. All the colleges are again cautioned to disassociate themselves from these ill-motivated people and also all kind of illegal activities including payment of any kind of money in any form to any agent or agency in the name of obtaining Affiliation for them. Fulfilment of all the norms set by the NCTE is the only criteria for granting affiliations. So if there is any deficiency in fulfilment of such norms, the same should be made good. The University will not take any responsibility if, instead of making good the deficiencies, any College on the basis of False guarantee given by any person/agent/agency, pays any consideration money to any person or agency in any name whatsoever. The Colleges are once again, asked to refrain from all illegal activities at any instigation of any person or group of persons projecting themselves to be the leader or well-wishers of such Colleges.
